**INFORMATION DISCLOSURE STATEMENT
CITATION UNDER 37 C.F.R. 1.97**

Sir:

Attached is a list of four additional documents on form PTO/SB/08a together with a copy of each identified document. It is requested that the Examiner consider these documents and officially make them of record in accordance with the provisions of 37 C.F.R. § 1.97 and Section 609 of the MPEP. The required fee of \$180 pursuant to 37 CFR § 1.17(p) is enclosed for this submission.

Further, after going through our office file, it appears that the Examiner has not considered the first nine references cited in the IDS (Information Disclosure Statement) submitted along with their copies at the time the above-referenced patent application was filed. Please note that of these nine references, citation Nos. 6 and 8 were previously cited by the Examiner in the March 4, 2004, Office Action. We are providing a copy of that IDS. We are, however, not providing copies of the nine references cited in this IDS as the same were provided earlier. Applicants, however, will provide copies if asked by the Examiner. It is requested that the Examiner consider these documents and officially make them of record in accordance with the provisions of 37 C.F.R. § 1.97 and Section 609 of the MPEP.
